Established in 1990, the Fletcher Community Fund is a component fund of Community Foundation of Henderson County that was created to provide cultural, educational, historic and civic enrichment for the Town of Fletcher in Henderson County.

Since 1982, Community Foundation of Henderson County has offered people a variety of ways to touch our community through philanthropic giving. The Community Foundation helps people who care make lasting contributions to causes that matter by accepting gifts from individuals, families, businesses and organizations to create a pool of charitable dollars from which grants are awarded to address community needs.
